

"Four" Your Information

About Addison's 4th Grade

Week of March 2 - 6, 2020

Reading & Language Arts

We will be studying vocabulary unit 6. Students should study their cards nightly. In writing, students will be developing a fantasy narrative. We will revisit dialogue, character development, and problem & solution. In reading, we are using mythology to understand words and phrases which include those that allude to characters.

AC Reading & Language Arts

- Continue *Walk Two Moons* novel study
- Research chosen national parks to prepare for informational writing.
- Begin Vocab Workshop unit 6. Vocab test on Tuesday, 3/10 & spelling test on Friday, 3/13.
- Continue to work on sentence types (simple, compound, complex.) Identify and eliminate run on sentences.

Math

This week we will be working on addition and subtraction of mixed numbers with regrouping. Students will be solving word problems with both operations.

AC Math

Decimals were introduced in the first nine weeks. We will be going back to revisit decimals where we will relate them to fractions, compare and round, and use all 4 operations with decimals.

Science/Social Studies

We will be returning to social studies at long last, with westward expansion. Student groups will be researching a related topic, then presenting their research to their class. Students will also be adding teacher lead journal entries to their social studies journals with additional notes on each topic. Topics will include: The War of 1812, Louisiana Purchase, The Alamo, Trail of Tears (Indian Removal Act of 1820), Battle of Little Big Horn, Oregon Trail, and California Gold Rush.
