

# "Four" Your Information

About Addison's 4<sup>th</sup> Grade

Week of October 28 - November 1, 2019

## Reading & Language Arts

We will finish our unit on prepositional phrases by creating a poem that includes them. Our next topic will be developing our sentence structure to include compound and complex sentences. We are integrating social studies vocabulary into our spelling unit this week. Students were given the words on Friday in their social studies journals. They should be studying the spelling and definitions of them nightly.

## Math

We will continue with practice and review of multiplication concepts and strategies and will assess this unit by the end of the week.

## Science/Social Studies

As we begin to study some of the different battles of the American Revolution students will be visiting the Learning Commons. Some of these concepts will also be integrated into our writing unit.

## Reminders!

End of unit tests will be announced by each teacher several days before the test is given. This should be written in your child's agenda. Please check it daily.

Please keep in mind that this is a 4<sup>th</sup> grade newsletter. All classes move at different paces.

## AC Reading & Language Arts

- \* Complete dialogue writing between Chief Seattle and Saknis
- \* Writing prepositional phrase poems
- \* Reading Text Structure continues
- \* Social Studies vocabulary words: Vocabulary and spelling test Friday

## AC Math

We will continue to work on the standard algorithm (old school) form of multiplication. We hope to assess towards the end of this week or the beginning of November 4 week.
