

"Four" Your Information

About Addison's 4th Grade

Week of December 9 - 13, 2019

Reading & Language Arts

Students will be assessed on similes and metaphors early in the week. There might be an assessment on run-ons & fragments by the end of the week depending on our progress.

Most students are finalizing their opinion essay.

There are only 8 days to get grades in for this marking period.

Math

We will be continuing to work with divisibility rules to find factor pairs and identify multiples of a given number. Long division will follow. Students who have fact fluency will find long division much easier, so please encourage daily practice.

Science/Social Studies

We will be testing energy flow through ecosystems in science early this week. Students can use their science journal, corrected classwork, and the ecosystems quizlet on Mrs. Sattlemeier's blog to study. Next, we will return to social studies with The Constitutional Convention and The Bill of Rights.

If your child does not celebrate the holidays, please be in communication with your classroom teacher. Room moms are working hard on class parties. Please be on the lookout for emails from them.

AC Reading & Language Arts

- Research and begin writing 5 paragraph opinion paper
- Complete first hand and second hand accounts
- Vocabulary test Tuesday on A Long Walk to Water
- Grammar – sentence fragments and run-ons

AC Math

Area model of long division went well last week and this week we will learn how to solve using partial quotients. A primary grade on division will be Wednesday for AC before moving into interpreting remainders.

Upcoming Dates

Dec. 10 – Zaxby's night

Dec. 13 – Christmas at Piedmont
(Chorus sings at 6:30)

Dec. 19 – Early Release
School wide pajama day
Class Holiday Party 11 – 12

Dec. 20 – Early Release
